Council Policy H-1 - Harbor Commission Review

At the June 25, 2019 meeting, the City Council revised Council Policy H-1 to clarify the Policy's intent and process in order to assist staff and the Harbor Commission when considering future applications. The City Council also directed the Harbor Commission to review the recent changes and to make recommendations to the City Council regarding any proposed revisions thereto.

Recommendation:

- 1) Determine that the project is exempt from the California Environmental Quality Act ("CEQA") pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it will not result in a physical change to the environment, directly or indirectly.
- 2) Assign the review of Council Policy H-1 to the Harbor Commission subcommittee for functional area four dealing with harbor policies within the Harbor Commission Objectives, and return to the Commission with recommendations.
