Council Policy H-1 - Harbor Commission Review and Recommendation

At the June 25, 2019 meeting, the City Council revised Council Policy H-1 to clarify the Policy's intent and process in order to assist staff and the Harbor Commission when considering future applications. The City Council also directed the Harbor Commission to review the recent changes and to make recommendations to the City Council regarding any proposed revisions thereto. At the July meeting, the Harbor Commission directed the subcommittee to review the Policy and return to the Commission by October with recommended changes, if any. The Harbor Commission will review the proposed changes, and if approved, recommend they be forwarded to the City Council for consideration.

Recommendation:

- 1) Determine that the project is exempt from the California Environmental Quality Act ("CEQA") pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it will not result in a physical change to the environment, directly or indirectly.
- 2) Review and approve updates to the Council Policy H-1, and recommend that it be forwarded to the City Council for final approval.
