Review and Update Harbor Commission Objectives/Subcommittee Reports

The Harbor Commission has completed a number of Objectives since the last full update of the Objectives in 2018. It is recommended that the Harbor Commission create a subcommittee to review the current updated Objectives and return to the November meeting to add, delete or modify the Objectives for City Council consideration in January 2020. The subcommittees will report on their progress from the last month.

Recommendation:

1) Find this action exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.

2) Subcommittee to report on August and September progress.

3) Appoint Subcommittee to review Objectives and return to the Harbor Commission in November with recommendations to add, delete or modify the Harbor Commission's Objectives.
