### **COTTAGE PRESERVATION CODE AND LCP AMENDMENTS (PA2019-181)**

**Site Location:** Citywide

#### **Summary:**

Amendments to the Local Coastal Program (Coastal Land Use Plan and Implementation Plan), Newport Beach Municipal Code Title 20 (Planning and Zoning), and Title 15 (Building and Construction) to incentivize the preservation of cottages. Specifically, the amendments would allow larger additions of up to fifty (50) percent of the existing floor area of a residential development that is nonconforming due to parking when the project would result in the preservation of the cottage character of the development and a building envelope representative of traditional development patterns in the City. Eligible projects would also receive relief from a building code valuation threshold, which requires building code compliance as new construction.

#### **Recommended Action:**

1. Conduct a public hearing;
2. Find this project exempt from the California Environmental Quality Act (CEQA) pursuant to Section 21065 of CEQA and State CEQA Guidelines Sections 15060 (c)(2), 15060 (c)(3), and 15378. The proposed action is also exempt pursuant to State CEQA Guidelines Section 15061(b)(3) because it has no potential to have a significant effect on the environment;
3. Adopt Resolution No. PC2019-033 recommending the City Council approve Code Amendment No. CA2019-006; and
4. Adopt Resolution No. PC2019-034 recommending the City Council authorize staff to submit Local Coastal Program Amendment No. LC2019-004 to the California Coastal Commission.
