Harbor Commission 2020 Objectives

The Harbor Commission has completed a number of Objectives since the last full update of the Objectives in 2018. At the October 9, 2019 meeting the Harbor Commission created a subcommittee to review the current updated Objectives. They were tasked with adding to, deleting and modifying the current Objectives for Council Consideration in January 2020. The subcommittee for Objective Review will report their recommendations for consideration of the full Harbor Commission.

Recommendation:

1) Find this action exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly; and

2) Review and approve updates to the Harbor Commission Objectives for 2020, and recommend that they be forwarded to the City Council for consideration.
