### **Create and Appoint Members to a Proposed Ad-Hoc Committee for the Harbor and Beaches Master Plan**

At the Harbor Commission meeting on December 10, 2021, the Harbor Commission requested to establish a Subcommittee to review the Harbor and Beaches Master Plan in greater detail than was feasible at that meeting. Once convened, it is anticipated the Subcommittee will review the current Harbor and Beaches Master Plan and make recommendations on potential changes, additions, deletions, and priorities in advance of a future Capital and Master Plan review cycle.

#### **Recommendation:**

- 1) Determine this action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly; and
- 2) Establish a subcommittee and appoint Harbor Commissioners to review and recommend revisions to the current Harbor and Beaches Master Plan. Identify up to three Harbor Commissioners to serve on the subcommittee.
