Harbor Commission Draft 2023 Objectives Review

The Harbor Commission periodically conducts a review and updates their objectives. An ad hoc committee was appointed to conduct a review of the Commission's 2022 objectives and recommend modifications for 2023 to be reviewed by the entire Harbor Commission. At their October 12, 2022 meeting, the Harbor Commission approved formation of an ad hoc subcommittee to draft objectives for 2023. Eventually, the approved objectives will be forwarded to the City council for review and consideration.

Recommendation:

- 1) Determine this action is exempt from the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) and 15060(c)(3) of the CEQA Guidelines because this action will not result in a physical change to the environment, directly or indirectly; and
- 2) Receive, review and provide guidance for further refinement of the Commission's 2023 Objectives.
